OFFICE OF LEGISLATIVE COUNSEL

Friday - 23 August 1968

25X1 1. [] - CEA) At his request called on Francis
Keenan, Administrative Assistant to Representative Florence Dwyer
25X1 (R., N. J.). Keenan said Mrs. Dwyer has a friend who has recently
25X1 returned from [] and who is a friend of some of the liberal
[] leaders. The leaders allegedly gave this person a map of Soviet
military dispositions []

25X1 [] Keenan wanted to know whether there is
any urgency in getting this map to the Agency. It was agreed that
he would ask the Congresswoman to mail it to him and call me to pick
it up when it arrives.

25X1 2. [] - CEA) Talked to Jack Norpel, Senate
25X1 Subcommittee on Internal Security, concerning his request for infor-
mation about the [] Camp. We agreed that State would
be more likely to be able to answer on this.

25X1 3. [] GLC) In response to his query to us on the []
25X1 [] case, I advised Donald O'Donnell, Chief Counsel for the
McClellan Subcommittee on Permanent Investigations, that we had no
information over and above what was available in the press and indicated
again that the FBI should be the point of contact on this case. O'Donnell
thanked me for checking on this, adding that he just wanted to be sure that
no "deals" had been made with []
